Title: To set the Precept for 2017/18

Log Number: 46- 17/02/17

Executive Summary

At the Joint Management Board held on 6 January 2017 I considered a report on the Proposed Precept, Budget and Medium Term Financial Strategy (MTFS) 2017/18 - 2020/21

From the details and recommendations contained within that report my report to the Police and Crime Panel was prepared.

At its meeting on 3 February 2017 the Police and Crime Panel considered my report and proposal to increase the council tax by 1.99% and the reasoning behind that proposal.

Having considered the annual budget for 2017/18 and the longer term assumptions upon which it was based, the Police and Crime Panel agreed the precept proposal without further recommendation, as follows:

That the police element of council tax is set at £176.28 for a Band D Property. This represents a 1.99% increase for the 2017/18 financial year.
