**Title:** Funding 50% of the cost of the Immersion Programme delivered by Exeter City Futures.

**Log Number:** 66 13/06/2018

## Executive Summary

Providing Funding Support for the Immersion Programme Delivery by Exeter City Futures for the Alliance Operation Department.

In Devon & Cornwall there are roughly 800 people killed or seriously injured on the roads every year resulting in road closures. This amounts to an economic loss of £1m every hour the motorway network is closed and a cost of £2.6m to the public sector for every fatal collision. In addition these road closures often cause the road networks in and around Exeter can become gridlocked.

Devon and Cornwall Police and Dorset Police (the "**Alliance Operation Department**") will work with Exeter City Futures to help access solutions that address this pressing challenge and reduce the impact on City congestion caused by road closures following collisions. The Alliance Operations Department are seeking to explore solutions that will enable officers to reduce evidential capture time by 75% during a collision investigation whilst still meeting the requirements of The Coroners Court.

Using an open innovation programme run by Exeter City Futures, the Alliance Operations Department is seeking to co-develop innovative solutions alongside new and existing suppliers and promote partnership in terms of the exchange of knowledge. The **Alliance Operation Department** desires to become a launching customer and is seeking to work with businesses in a transparent manner to translate good minimum viable products (MVPs) into innovative solutions to the identified Challenge.

Funding support in the sum of 50% of the total cost of £30,600. Total cost to Devon and Cornwall OPCC £15,300.
