Q10 This is the most significant additional funding proposal in the draft budget. The force says that good data is fundamental to improving proactive and reactive policing, including prevention, and thereby delivers greater safety. How supportive are you of this investment?

Answered: 8   Skipped: 2

Q11 This proposal relates to further work with other emergency services to provide additional non police uniformed visibility, like Tri Service Safety Officers and Community Responders. The force says the additional spending will provide a uniformed presence and crime reduction in coastal and maritime settings and potentially forcewide, through innovation. This also includes the continuation of the pilot with regards to remunerating Special Police Officers during significant events. How do you feel about funding more work in this area?
