

Response to Freedom of Information Act Request

Date of request:	25 th December 2018
Request:	<p>Can I have a list of all the funding that has been given/awarded/applied for to any groups, be they community, charities since you were elected please to the present date. Could you also send me the criteria for applying for said money as well please.</p>
Response	<p>Can I have a list of all the funding that has been given/awarded to any groups, be they community charities since you were elected please to the present date.</p> <p style="text-align: center;">Please see appendix I.</p> <p>Can I have a list of all the funding that has been applied for to any groups, be they community charities since you were elected please to the present date.</p> <p style="text-align: center;">In accordance with the Section 17(1) of the Freedom of Information Act 2000 this letter acts as a Refusal Notice for the following parts of your request. The exemption applied to this part of your request is Section 12(1) of the Freedom of information Act – the cost of compliance would exceed the appropriate limit. The Police and Crime Commissioner receives numerous requests for funding from a wide range of sources by various means, including verbally. The OPCC may hold relevant information but does not record such requests centrally. To locate all requests for funding held would require searching through numerous unstructured filing systems and email accounts which would exceed the appropriate limit.</p> <p>Could you also send me the criteria for applying for said money as well please.</p> <p style="text-align: center;">The criteria for which the PCC provides funding is predominantly set out in the PCCs Commissioning intentions plans which are published annually alongside</p>

the budget, and can be located here.

<http://www.devonandcornwall-pcc.gov.uk/information-hub/key-documents/> .

Included within the commissioning intentions plan is allocations of funding for the PCC's Police and Crime Plan priorities fund, the approach to which is outlined in Section 2.

There is a small engagement budget from which the PCC can support and encourage local engagement events, eg. Blue Light events.

With respect to the small grants scheme for 2018, the PCC published the application criteria on the OPCC website and this is available at.

<http://www.devonandcornwall-pcc.gov.uk/partnership-working/commissioning/small-grant-scheme/>
