

Response to Freedom of Information Act Request

Date of request:	1 st June 2019
Request:	<p>Can I request the annual budget to support the office of the Police and Crime commissioner. This is to include the salaries of the Commissioner and her team along with overheads such as office support services and all expenses.</p> <p>Further correspondence:</p> <p>Am I correct that the OPCC cost the tax payer £5,152.000 for the financial year 2018/19? Therefore can you provide an headline data breakdown of the £5,152,000 spend (if that is correct)</p> <p>I would also like to know how much in approximate terms a police constable costs the organisation in salary and support services.</p>
